

## strongSwan - Bug #272

### confdest ignores log settings for stdout

02.01.2013 16:04 - Anonymous

<b>Status:</b>	Closed	<b>Start date:</b>	02.01.2013
<b>Priority:</b>	Low	<b>Due date:</b>	
<b>Assignee:</b>	Martin Willi	<b>Estimated time:</b>	0.00 hour
<b>Category:</b>	testing		
<b>Target version:</b>	5.0.2		
<b>Affected version:</b>	5.0.1	<b>Resolution:</b>	Fixed
<b>Description</b>			
Setting log levels like this does not work, everything remains at the default. Example suite.conf section:			
<pre>log {     stdout {         default = 1         cfg = 3         ike = 1         net = 4         enc = 4         time_format = %s     } }</pre>			
It works just fine if I use a file name instead of "stdout", which is OK as a workaround, but I'd like to be able to adjust stdout logging as well.			

### History

#### #1 - 03.01.2013 15:59 - Anonymous

I have posted a patch that fixes this issue to the dev mailing list, see <https://lists.strongswan.org/pipermail/dev/2013-January/000721.html>

#### #2 - 08.01.2013 11:20 - Martin Willi

- Status changed from New to Closed
- Assignee set to Martin Willi
- Target version set to 5.0.2
- Resolution set to Fixed

Patch applied, thanks!
