

strongSwan - Bug #3182

Wrong custom logger struct in set_level function

20.09.2019 11:26 - Michaël Legagneur

Status:	Closed	Start date:	20.09.2019
Priority:	Normal	Due date:	
Assignee:	Tobias Brunner	Estimated time:	0.00 hour
Category:	libcharon	Resolution:	Fixed
Target version:	5.8.2		
Affected version:	5.8.1		

Description

Hello,

We detect one mistake in the set_level function about the custom logger. The add_logger is called with sys->logger instead of custom->logger.
Please find attached the patch fixing this little mistake.

Best regards,

Michaël

Associated revisions

Revision b0c84c75 - 20.09.2019 14:16 - Tobias Brunner

daemon: Correctly re-register custom loggers in set_level()

Fixes: 2080c7e1e232 ("charon: Add custom logger to daemon")
Fixes #3182.
